Dear Drs. Chung, Min and Choi,  
As you may recall, a joint international patent application was filed by UC naming LG Life Sciences as co-applicant.

The application can be viewed at

This application was entered into the US and assigned number 10/522,130. Filing papers are attached. It is not yet published. Spec and claims are identical to '772. There are no other applications for these claims. We have signatures of UC inventors.

Please sign attached forms to complete US filing requirements. Declaration acknowledges the specification is your work. Assignment transfers ownership to LG Life Science.
